Best Advisory Note About News and Affairs

Hi Kids!

Welcome to the latest edition of the McCrae Banana. I hope you all had a fantastic, fun filled holiday. Sleeping in, playing with your mates, staying up late, no homework – holidays are the best!

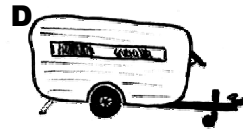

Here is a question for you: Where does God go when you are sleeping? To the moon? To McDonalds? To the beach? Let's see what the Bible says. The Bible says that "When I awake, I will find you nearby." (Psalm 139:18, CEV). That means God hasn't gone anywhere, He's still with you. How cool is that? Even when we are asleep God stays with us, and He won't ever leave!

Enjoy the rest of the McCrae Banana...

Memory verse: Psalm 139:18

“When I **awake**, I *will find you nearby.*”

A NOTE FROM BEN:

I am passionate about lots of things. One of them is God. Another is helping people. I do a lot of work with organisations that help poor and sick people overseas, and I run one myself.

I feel really lucky because I have a family, friends, food, school, and fun things I can do all the time. There are lots of people in the world who do not get to have these things, and it makes me feel sad.

There are also lots of ways to help these people – you could read about other countries in the world, in places like Asia and Africa; ask your teachers or parents about them; or even pray for them. Prayer is a good way that everybody can help.

I love having passion, and doing things that I am passionate about.
